GENERAL MEETING

The General Meeting on Tuesday 28th of May promises to be another riveting one. Presented by a member of Mercy Ships – a medical charity that deploys hospital ships to some of the poorest countries in the world, delivering vital, free healthcare to people in desperate need.

The photo on the poster shows British orthopaedic consultant Dr Rachel Buckingham, who had operated to straighten the little boy's legs, bent by rickets

OUT AND ABOUT AT PULBOROUGH BROOKS

Anne Harwood is a very knowledgeable volunteer at the RSPB Reserve at Pulborough Brooks, so we couldn't have had a better guide for our O & A visit. Many of the summer visitors – chiffchaffs, willow tits, blackcaps, and even a nightingale were in song as well as many other all year residents.
