Advance Notice – Planning Meeting – Friday 21st February 2025 – 10.00a.m.

Some of you will have unexpectedly received two copies of TAM in November. I contacted u3a Support Services, who have looked into it and tell me that it was a fault in the delivery service company's system. All should be back to normal next time. *Gabi*

Card Craft – November

Jennie Says -This month's card is a Double Fan Card, and they can face either way. They can be a little tricky with the folds, we needed to make sure the card wasn't too thick.

However, they have all turned out well. Cards were made by Anne, Jennie, Sandra and Sue.

Out and About – A Rum Do!

November's trip was to the Goldstone Rum Distillery, which, we hear, was much enjoyed, as were the tastings of the products. The company is run by an enterprising couple with two young children; they have also each kept on "the day jobs" but even so manage to produce brilliant results. Such energy! There are no photos of the visit to share – maybe they were all enjoying themselves too much? - but here are a couple we copied from the company's website
